EICHHOLTZ

ACCESSORIES COLLECTION

EICHHOLTZ

It is my great pleasure to introduce to you the Eichholtz Accessories Collection Book Volume 5 that reflects on our creative journey.

Almost everyone speaks of a typical 'Eichholtz style' but in my opinion there is no one particular style that defines our work. Although we work with a central idea, we always set different, innovative and dynamic goals when we create a new collection. International borders have not restricted us from finding and sourcing the finest of the finest. We travelled across the globe and this book shows you where our travels have taken us. According to Diana Vreeland, "The eye has to travel" and I couldn't agree more.

Our comprehensive new collection is divided over three inspiring books: Furniture, Lighting and Accessories. We hope you will enjoy meandering through the pages of these Eichholtz Inspiration Books as much as we enjoyed creating it.
